As participation in the Henley High School Specialist Sport Program is voluntary, not all costs will be covered within the budget. An annual fee is set by the Henley High School Council and contributes to costs associated with the program and covers items such as excursions, guest speakers, celebrations, coaches and equipment use. Some excursions will incur additional costs, especially where accommodation and transport are required. Parents will be given advanced notice of major excursions to assist with planning and budgeting. The basic fee is \$100 per term. This amount is reviewed annually and parents will be informed of any likely changes.

Application Process:

1. Please complete the attached Specialist Sport Program **Athlete Application**.
2. Attach photocopies of **all school reports from the previous two years**. The student applicant or family should submit ALL this documentation with their athlete application.
3. Ask a coach who has coached your child to complete the **Confidential Reference** (Page 8) and return it separately to the High School.
4. **Practical Video:** Applicants are asked to submit a video of them competing in the sport they are applying for (5 minutes maximum).
5. The Athlete Application is thoroughly reviewed to gauge whether the Applicant meets the criteria for the program. A key aim is to ensure the balance between academic achievement and sporting excellence can be achieved. Academic records for the previous two years are reviewed with particular attention given to student's conduct, effort and participation comments.
6. Following both review of academic reports and the practical video, student-athletes are notified by letter whether their application was successful or not.
7. If you wish to appeal this decision, the policy can be found on the website.
