16 February 2024

Dear Year 12 parents and caregivers

## Year 12 Parent Information Evening

Welcome to the 2024 school year. We are looking forward to supporting your child in their personal endeavours for success as well as working in collaboration with you all throughout the year.

To assist in the flow of information between parents, teachers and the school, we will be conducting a **Year 12 Information Evening on Thursday, 29 February commencing at 6.00pm in the Hall.**

We believe that this is a valuable opportunity to meet with your child's teachers and the senior school leadership team, and to develop a strong partnership in supporting your child through their final year of high school.

The format will consist of a short information session with general information about the school and SACE, followed by an opportunity to meet your child's Year 12 teachers.

On the following page is a timetable showing subjects, subject teachers and meeting times and locations. We ask you to confirm with your child what subjects they are studying in order to book into specific subject sessions through the link below:

We look forward to seeing you on Thursday, 29 February and encourage you to meet with the teachers to continue the culture of care in which we pride ourselves on.

Yours sincerely,

Tristan Kouwenhoven
