HIGH SCHOOL

Year 7 Transition Guide 2025

This guide is for parents and caregivers of students starting in Year 7 in 2025.

Your
Journey

Your
Journey

Four green diagonal lines are positioned below the word "Journey", slanted upwards from left to right.

Henley High School acknowledge and recognise Aboriginal and Torres Strait Islanders as the First Nations people of Australia and that they are the traditional owners and custodians of the land and waterways throughout our country.

Henley High School is on Kaurna Land. We pay our respects to the Kaurna people, the Elders both past and present and their spiritual relationship with country.

A student's journey through school is one of life's greatest and most important adventures.

School guides, and shapes, and transforms. It allows students to explore – explore new ideas and concepts, new ways of thinking and feeling, new ways of being. It tests students. It pushes them beyond their limits, again and again. It strengthens them, developing their resolve to become the person they are meant to be.

School helps provide purpose, revealing students passions and

pursuits that may remain with them for the rest of their lives. It gives them direction – a path to follow beyond the voyage of school, where the next great journey awaits.

At Henley High School, our vision is to prepare our students to flourish in an evolving and challenging world. We value the school journey and are dedicated to helping each student grow and become their best self, able to adapt, respond and contribute as a resilient, ambitious and contemplative human being.

Like a boat sailing on the ocean, a core symbol of Henley High School, a student is free to make their own journey. Our students aren't alone as they set out. Just as our boat has four sets of oars, so too do our students:

- ✔ Our school with its committed teachers and staff
- ✔ The student's parents and family
- ✔ Their friends and the local community
- ✔ The students themselves.

All are driving their oars, helping the student on their journey, to strive, to seek and not to yield.

The Henley High School community is excited to welcome our new Year 7 students and families in 2025. We understand that the transition from primary school to high school is a big milestone and we want to make this process as simple as possible for you and your child.

This Transition Guide has been prepared for parents and caregivers of students starting in Year 7 in 2025. It contains all the information you need to prepare your child for the start of their high school journey. It includes details about a number of forms that need to be completed before school commences and other important information.

Please pay close attention to information marked as **Important!** to ensure your child's best success for their first weeks of high school.

Mobile phones

Access to personal devices during school is managed so that students can be present in their learning and interactions with their teachers and peers.

As per the Department for Education's Mobile Phone Policy, mobile phones and other personal electronic devices are to be off and away for the duration of the school day including during break times, unless they are being used for specific class work with explicit permission given by the teacher.

Students who bring mobile phones (or other devices) to school must accept sole responsibility for their care.

Students are to turn off their mobile phones and personal devices, including smart watches and earbuds and place them in their locker at the start of the school day.

Parents may apply for a mobile phone ban exemption for their child for specific purposes at:

henleyhighschool.wufoo.com/forms/m1exytfo1sx2id4/.

To support the school, if a parent has an urgent matter during the school day, then they are asked to contact Students Services who will locate their child.

Stationery and book list

As part of our commitment to ensuring a smooth transition for students, families will receive a stationery list for each year level, which will be distributed in Term 4.

This list outlines the necessary supplies that will support your child's learning throughout the year.

Please note that stationery items are not included in the material and services fees. We encourage families to review the list carefully and gather supplies before the

school year begins. For your convenience, the stationery list will also be available on the Henley High School website, where you can find additional resources and information.

Lockers

All newly commencing students will be allocated a locker and provided a padlock to keep their belongings safe and secured while at school.

Students who bring mobile phones and other personal devices to school are to turn them off and place them in their locker at the start of the school day.

If a student loses or damages a padlock, a replacement needs to be purchased at Student Services for \$30.00.

The padlock remains the property of the school.

Governing Council

Henley High School Governing Council would like to take this opportunity to welcome your family to our school and its parent community.

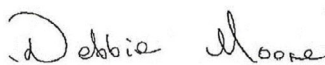

We hope that your child will enjoy their learning experience with Henley High School, where we greatly value our friendly school community and wider Henley Beach community, which is active and vibrant.

If you have some free time and would like to contribute as a volunteer to the school, you may wish to consider joining our Governing Council and/or a Sub-Committee. These include Facilities, Canteen, Uniform and Community Liaison which meet regularly throughout the school year.

Daymap

In 2025, our school will transition from using Compass to Daymap for our school management system. Daymap will be available on any modern web browser as well as through its iOS and Android apps.

Daymap includes many different features including the ability to:

- ✔ Student and Parent Portals: Access real-time updates on student progress, grades, and attendance. Both students and parents can view detailed information and communicate directly with teachers.
- ✔ Class Timetables: Easily view and manage class schedules, including any changes or updates, through a user-friendly interface.
- ✔ Homework and Assessments: Track assignments, deadlines, and assessment results. Daymap provides tools for students to manage their workload effectively.

- ✔ Communication Tools: Receive important announcements, messages, and notifications directly from the school. Stay informed about school events and updates.
- ✔ Calendar Integration: Sync school events and deadlines with your personal calendar to stay organized and on top of important dates.

Using Daymap

You will receive your login details and instructions on how to download and use the Daymap app at the beginning of Term 1, 2025. Until then, important communications will continue through email, post, and phone.

We encourage you to explore Daymap once you gain access, as it will be a primary means of communication between you and the school.

EdSmart

EdSmart is an online tool used to capture parent permissions and responses for a range of student activities.

When we have a consent form for you to complete, in most cases we will send it to you via an EdSmart email. You simply click the link in the email and complete and sign the form digitally from your phone or computer.

It's quick and easy and it means no more crumpled paper at the bottom of your child's school bag. It works for excursions and activities that have a cost too. You can pay through EdSmart when you complete the form.

Where forms cannot be completed through EdSmart, including those where multiple signatures are required or where the payment options are more complex, we will use other methods including Qkr! or PDF/paper forms.

Many of the forms referred to in this guide will be sent to you via EdSmart.

Using EdSmart

- ✔ When you are required to complete an EdSmart form you will receive an email from "Henley High School - EdSmart" (please check your junk/spam folder if you don't see any in your inbox in the next few days)
- ✔ There is a link within the email that provides access to the form
- ✔ You are not required to login
- ✔ Complete and sign the form digitally through your phone or laptop and click submit.

Qkr!

Qkr! is a mobile payment app that enables parents/ caregivers to order and pay for school items including school fees, lunches from the canteen, camps, equipment and resources such as laptops, calculators and study guides.

Some of the payments that are referred to in this document will be available to pay via Qkr!.

Using Qkr!

To use Qkr!, see <https://www.henleyhs.sa.edu.au/wp-content/uploads/2024/01/Henley-High-School-Qkr-How-To-Guide.pdf> or follow these steps:

Homestay

Henley High School boasts a quality International Program with 60 to 80 international students enrolled at our school at any one time.

These students, hailing from all around the world, rely on local families to provide them with accommodation, meals, facilities, study support and perhaps most importantly, a caring and supportive environment in which to grow and learn.

Starting with a 2 week Study Tour can be a great way to experience and trial being a homestay family, without the long-term commitment. If you and your family thrive in that environment, then you may also like to consider a longer-term homestay experience that can range from 6 months right the way through to graduation.

Welcoming an international student into your home is a wonderful and mutually rewarding experience. You and your family are able to learn about the language, culture, customs and traditions of the student's home country, make a meaningful and lasting impact in their lives and you get to foster lifelong friendships. Plus, you receive a homestay allowance to cover the costs of hosting an international student.

Register your interest

To register your interest in becoming a homestay family, please complete our Homestay Reply Slip: forms.office.com/r/eRvttFJvst.

Dear Parent/Caregiver,

2025 Laptop Program | Year 7 Student Information

Our school community has made a commitment to be a digital school. All students are supported to have access to a computer and are then helped through their learning to become digitally adept.

- As part of the Henley High School Laptop Program, students can purchase 2 laptops over their 6 years of secondary schooling. A new laptop is provided in Year 7 and a second new laptop can be purchased for Years 11 to 12. This ensures that laptops are performing at the optimal level when students are entering their senior years of schooling. We strongly recommend the purchase of a second laptop as the maximum warranty period available is 4 years. After the warranty period, limited support will be available for these devices including the availability of parts and the accidental damage protection policy.
- The cost of each laptop is \$1400. This amount can be paid for in full or as 2 payments of \$700 payable over two years. The first payment of \$700 is required in full prior to the collection of the laptop. For those who choose to opt in, the second laptop will be issued for Year 11 and 12. These will be purchased towards the end of Year 10 and issued at the end of the year, ready for the start of Year 11. Please be aware that the optional second laptop will not be issued if there are outstanding laptop-related debts owed to the school. There are payment plans available that can be negotiated through the Finance Office on 8355 7008.
- A daily borrowing option is available to students whose parents do not wish to participate in the Laptop Program. A laptop will be provided for daily use within school hours only. Daily borrowing is only available to students until the end of Year 10. As there is no provision for daily borrowing for Year 11 and 12 students, the school will make contact with the parents of those students to discuss options for purchase of either their existing Daily Loan laptop or a new laptop.
- All laptops are covered by a 3-year manufacturer's warranty. The warranty covers manufacturer's defects and normal use of the laptop. It does not cover negligence, abuse, malicious or accidental damage (eg cracked LCD screens are not covered under warranty).
- All laptops have textbooks and the required software for classes loaded. Specialist software can be deployed as needed. These devices will be fully supported by the school's IT staff.
- Powering or charging of devices at school will not be possible due to WHS compliance advice.
- The laptop remains the property of the school. The laptop may however be offered to the student at the completion of their studies as a part of the school's disposal of asset policy.
- Please note, as per Department for Education requirements, non-school or privately purchased laptops are not permitted to be used at school due to licensing and software agreements.

Student's responsibilities:

- Given that students will have responsibility for an expensive electronic device it is expected that when not in use it will be locked securely in their locker.
- Laptops must be brought to school fully charged to last for a full day of learning.
- Students leaving school before the full term of the laptop contract have the choice of either returning their financially up-to-date laptop to the school in good working condition or paying off the remaining contract fees and retaining the laptop, at which point an invoice will be generated.

It is recommended that parents and students refer to our laptop program booklet on our website www.henleyhs.sa.edu.au for further detailed information.

Please read and sign the contracts overleaf and return this form to the school as soon as possible. If you have any further questions or queries please do not hesitate to contact IT Services via email ICTservices@henleyhs.sa.edu.au.
