# Year 8 to 12 Transition Guide

This guide is for parents and caregivers of students starting in Year 8 to 12.

*Your*  
**Journey**

*Your*  
**Journey**

Four parallel green diagonal lines are positioned below the word "Journey".

**Henley High School acknowledge and recognise Aboriginal and Torres Strait Islanders as the First Nations people of Australia and that they are the traditional owners and custodians of the land and waterways throughout our country.**

Henley High School is on Kaurna Land. We pay our respects to the Kaurna people, the Elders both past and present and their spiritual relationship with country.

**A student's journey through school is one of life's greatest and most important adventures.**

School guides, and shapes, and transforms. It allows students to explore – explore new ideas and concepts, new ways of thinking and feeling, new ways of being. It tests students. It pushes them beyond their limits, again and again. It strengthens them, developing their resolve to become the person they are meant to be.

School helps provide purpose, revealing students passions and

pursuits that may remain with them for the rest of their lives. It gives them direction – a path to follow beyond the voyage of school, where the next great journey awaits.

At Henley High School, our vision is to prepare our students to flourish in an evolving and challenging world. We value the school journey and are dedicated to helping each student grow and become their best self, able to adapt, respond and contribute as a resilient, ambitious and contemplative human being.

Like a boat sailing on the ocean, a core symbol of Henley High School, a student is free to make their own journey. Our students aren't alone as they set out. Just as our boat has four sets of oars, so too do our students:

- Our school with its committed teachers and staff
- The student's parents and family
- Their friends and the local community
- The students themselves.

All are driving their oars, helping the student on their journey, to strive, to seek and not to yield.

The Henley High School community is excited to welcome our new Year 8 to 12 students and families. We understand that the transition from primary school to high school is a big milestone and we want to make this process as simple as possible for you and your child.

This Transition Guide has been prepared for parents and caregivers of students starting in Year 8 to 12. It contains all the information you need to prepare your child for the start of their high school journey. It includes details about a number of forms that need to be completed before school commences and other important information.

Please pay close attention to information marked as **Important!** to ensure your child's best success for their first weeks of high school.

# Laptop Program

Henley High School has a strong focus on Information and Communication Technology (ICT) literacy that will enable students to be successful global citizens in the 21st century.

To support this vision, Henley High School has a 1:1 Laptop Program in place where each student has their own laptop. This initiative utilises a shared-cost model between the school and the parent, where parents make a contribution to the cost in exchange for 24/7 access, IT support, software and licensing, extended warranty and more.

## Laptop Program Contract and Agreement to Pay

You must complete, sign and return the Laptop Program Contract and Agreement to Pay by Friday, 6 December 2024. This contract must be signed by the student and at least 1 parent/caregiver. If 2 parents/caregivers are responsible for the student, then both need to sign. If only 1 parent/caregiver signs, they accept full financial responsibility for the laptop payments.

The contract for you to complete is included as Annexure A on page 24.

## Laptop payment

Parents/caregivers will be invoiced for the initial payment amount they selected in the Laptop Program Contract and Agreement to Pay (either upfront payment of \$1400 or 2 payments of \$700) in mid-January 2025.

Parents/caregivers must pay the invoiced amount, \$1400 or \$700, by Wednesday, 22 January 2025, prior to collection of the laptop.

If two payments of \$700 was selected in the contract, the second payment of \$700 will be invoiced the following year.

Our preferred payment method is through Qkr!. The option to pay on Qkr! will become available once invoices have been issued in mid-January 2025.

## Laptop collection

A laptop collection session will take place at Henley High School on Tuesday, 28 January 2025 (Year 7 and 8) and Wednesday, 29 January 2025 (Year 9, 10, 11 and 12)

You will receive more information about exact location and time at a later date.

To access the student car park, a Student Driver/Parking Permit Application needs to be completed and returned to Student Services. The application must be signed by the student and a parent/caregiver.

Students with an approved application will be issued a parking permit which must be displayed in the vehicle.

## Important!

The Department for Education and Henley High School develops teaching, learning and promotional materials and publishes them in print and digitally (eg websites and social media).

Completing and returning this form allows you to grant (or not grant) permission for the Department for Education and Henley High School to use your child's photos, videos, work and/or first name in teaching, learning and promotional materials.

## Completing the form

For instance, students are dismissed up to one hour earlier on the last school day before the Easter long weekend, sports day, or during extreme heatwaves.

The Early Dismissal Consent Form details the scenarios where an early dismissal may be required, the notice periods provided to you in each scenario, and allows you to provide your consent to the school dismissing your child in these circumstances.

# Material and services charged (school fees) and invoices

**Invoices for school fees will be posted by mail to parents/caregivers in mid-January 2025.**

These will cover Materials and Services Charges (and the associated \$200 Materials and Services Charges Rebate), Laptop Program payments and Year 7 Camp costs.

# Homestay

## Henley High School boasts a quality International Program with 60 to 80 international students enrolled at our school at any one time.

These students, hailing from all around the world, rely on local families to provide them with accommodation, meals, facilities, study support and perhaps most importantly, a caring and supportive environment in which to grow and learn.

Starting with a 2 week Study Tour can be a great way to experience and trial being a homestay family, without the long-term commitment. If you and your family thrive in that environment, then you may also like to consider a longer-term homestay experience that can range from 6 months right the way through to graduation.

Welcoming an international student into your home is a wonderful and mutually rewarding experience. You and your family are able to learn about the language, culture, customs and traditions of the student's home country, make a meaningful and lasting impact in their lives and you get to foster lifelong friendships. Plus, you receive a homestay allowance to cover the costs of hosting an international student.

## Register your interest

To register your interest in becoming a homestay family, please complete our Homestay Reply Slip: [forms.office.com/r/eRvttFJvst](https://forms.office.com/r/eRvttFJvst).

Dear Parent/Caregiver,

## Laptop Program | Year 8-12 Student Information

Our school community has made a commitment to be a digital school. All students are supported to have access to a computer and are then helped through their learning to become digitally adept.

- Students will be provided with 1 laptop for their years of secondary schooling.
- The cost of the laptop is \$1400. This amount can be paid for in full or as 2 payments of \$700 payable over two years. The first payment of \$700 is required in full prior to the collection of the laptop. There are payment plans available that can be negotiated through the Finance Office on 8355 7008.
- A daily borrowing option is available to students whose parents do not wish to participate in the Laptop Program. A laptop will be provided for daily use within school hours only. Daily borrowing is only available to students until the end of Year 10. As there is no provision for daily borrowing for Year 11 and 12 students, the school will make contact with the parents of those students to discuss options for purchase of either their existing Daily Loan laptop or a new laptop.
- Newly enrolled students to Year 12 can pay a non-refundable payment of \$200 for a 'lease' laptop for the duration of their schooling. Payment needs to be made prior to collection of the laptop. The laptop will need to be returned before the student leaves the school otherwise students will receive an invoice for the full amount of the non-returned laptop.
- All laptops are covered by a 4-year manufacturer's warranty. The warranty covers manufacturer's defects and normal use of the laptop. It does not cover negligence, abuse, malicious or accidental damage (eg cracked LCD screens are not covered under warranty).
- All laptops have textbooks and the required software for classes loaded (to a value in excess of \$3000). Specialist software can be deployed as needed. These devices will be fully supported by the school's IT staff.
- Powering or charging of devices at school will not be possible due to WHS compliance advice.
- The laptop remains the property of the school. The laptop may however be offered to the student at the completion of their studies as a part of the school's disposal of asset policy.
- **Please note, as per Department for Education requirements, non-school or privately purchased laptops are not permitted to be used at school due to licensing and software agreements.**

### Student's responsibilities:

- Given that students will have responsibility for an expensive electronic device it is expected that when not in use it will be locked securely in their locker.
- Laptops must be brought to school fully charged to last for a full day of learning.

- Students leaving school before the full term of the laptop contract have the choice of either returning their financially up-to-date laptop to the school in good working condition or paying off the remaining contract fees and retaining the laptop, at which point an invoice will be generated.

It is recommended that parents and students refer to our laptop program booklet on our website [www.henleyhs.sa.edu.au](http://www.henleyhs.sa.edu.au) for further detailed information.

Please read and sign the contract overleaf and return this form to the school as soon as possible. If you have any further questions or queries please do not hesitate to contact IT Services via email [ICTservices@henleyhs.sa.edu.au](mailto:ICTservices@henleyhs.sa.edu.au).

Yours sincerely,
